

Aims and Scope of Acta Pharmaceutica Scientia

Acta Pharmaceutica Scientia is a continuation of the former “Eczacılık Bülteni” which was first published in 1953 by Prof. Dr. Kasım Cemal GÜVEN’s editorship. At that time, “Eczacılık Bülteni” hosted scientific papers from School of Medicine-Pharmacy Branch, Istanbul University, Turkey.

Starting from 1984, the name of the journal was changed to “Acta Pharmaceutica Turcica” and became a journal for national and international manuscripts, in all fields of the pharmaceutical sciences in both English and Turkish. (1984-1995, edited by Prof. Dr. Kasım Cemal GÜVEN, 1995-2001, edited by Prof. Dr. Erden GÜLER, 2002-2011, edited by Prof. Dr. Kasım Cemal GÜVEN)

Since 2006, the journal has been publishing only in English with the name, “Acta Pharmaceutica Scientia” that represents internationally excepted high level scientific standards.

The journal has been publishing quarterly per year except an interval from 2002 to 2009 which released its issues trimestral in a year. Publication was discontinued from the end of 2011.

With this issue in 2017, Acta Pharmaceutica Scientia is continuing publication with the reestablished Editorial Board and also with support of you as precious scientists.

Yours Faithfully
